## MODERATORS:

**Van Thi Thu Ha** is currently coordinator of the Asian Roundtable on Social Protection (AROSP), a network focused on learning and mutual support on the thematic issue of social protection for both formal and informal workers. As a regional network, it aims to support and consolidate the regional struggle for social protection for the poor across various sectors in Asia. Thu Ha has more than 30 years of experience in the field of employment, labour rights and social protection. Email: [thuha@amrcentre.org](mailto:thuha@amrcentre.org)

**Sabreen AbeedAllah**, Master in Women's Health and International Cooperation and Development, Master in Women's Health, is the Sexual and Reproductive Health Focal Person at the Palestinian Medical Relief Society, and Project manager for SRHR initiatives targeting women and youth. With a diverse background in humanitarian and developmental interventions, she follows the nexus approach to address community needs effectively. Sabreen actively contributes to national and international health committees and coalitions, playing a vital role in shaping policies for sexual and reproductive health. Her passion and expertise make her a dedicated advocate for the well-being of individuals and communities.
