

STATEMENT Culminated from the Session
unseen and unheard
Context of vulnerable Youths and Senior Citizen Nepal

WORLD SOCIAL FORUM 2024

February 18, 2024

Community Aid Foundation is a non-governmental organization. This organization was established in the year 2079 at the company registrar office in Kathmandu and affiliated with Samaj Kalyan Parishad. Community Aid Foundation is typically non-profit organization that focuses on providing assistance and support to local communities. This foundation may have various missions and objectives, but their common goal is to improve the well - being and quality of life for the people living in a specific geographic area or community

Community Aid Foundation formulated the statement below to incorporate the voices and to be concern of the context of vulnerable youth and senior citizen status in larger agenda of the world social forum 2024

Youth in Nepal:

Unemployed (employment should be created as per the qualification)

Anxiety/Stressed/ depressed (Psychosocial counselling should be provided from the govt/non govt level)

Murder/Suicide: prepare program and policy from govt and non govt level

Senior Citizens status

- A strong policy is necessary to control the youths for migration in education sector
- Better Health care and health service should be provided
- Involve senior citizen in policy making
- Increment of social Security is must as Social security allowances in not sufficient
- Health and Education security is must
- Student Loan should be provided
- Health Insurance Facility should be provided from the government level
